Dear Colleagues and Friends,

Greetings from the Department of Physical Medicine and Rehabilitation (PMR), All India Institute of Medical Sciences (AIIMS), Bhubaneswar, India.

It gives us immense pleasure to invite you to the IAPMR Midterm CME 2026, being organized by the Department of PMR, AIIMS Bhubaneswar, from 30th September to 3rd October 2026 at AIIMS, Bhubaneswar, Odisha, India.

The theme of this year's conference, "Advancing Skills in PMR," reflects our commitment to strengthening clinical expertise, promoting innovation, and integrating recent advances in rehabilitation medicine into daily practice. The scientific program is designed to provide advanced skill-based training, updates on evidence-based management, emerging technologies, and modern rehabilitation tools that are transforming the field of disability care and rehabilitation.

The conference will feature a rich academic platform including hands-on workshops, plenary sessions, expert lectures, panel discussions, oral and poster presentations, and opportunities for interdisciplinary collaboration. It aims to bring together rehabilitation professionals, researchers, and academicians from across the globe to exchange knowledge, share experiences, and discuss practical solutions to current and future challenges in PMR.

At AIIMS Bhubaneswar, we believe that collaboration and continuous learning are essential to improving patient care and advancing the specialty of PMR. Through this academic gathering, we aspire to foster professional growth, strengthen global partnerships, and contribute meaningfully to the welfare of persons with disabilities and their families.

Odisha, known for its rich heritage of art, culture, spirituality, and hospitality, will provide a memorable backdrop for this academic celebration.

We cordially invite you to be a part of this unique academic extravaganza and look forward to welcoming you to Bhubaneswar for an enriching and inspiring experience.

With warm regards,
Organizing Committee
